

Ride 3: Berliner Forst

WP	Total	Dif.	Description
1	0.00	0.00	Get on the trail which parallels Pfaueninselchaussee on the left side
	0.79	0.79	Intersection - stay along the trail that parallels the road
2	1.87	1.08	Major 6-way intersection - go right to cross the road, and stay slight right to stay on the main path
	1.96	0.09	When the trail forks, stay straight-right
	2.03	0.08	Very soon the trail forks again, go right
	2.31	0.28	Straight through
3	2.57	0.26	4-way intersection, go right and head uphill
	2.76	0.18	Take your next left
4	2.82	0.06	Straight through
	2.97	0.15	When the trail curves to your right, take a left at a 3-way intersection
	3.13	0.17	When the trail ends at T intersection go right, then take your next left (only about 40 meters down). There is some faint singletrack that cuts this corner, and the cue actually takes this route.
	3.33	0.20	At the bottom of the downhill is a 6-way intersection, take your second right
	3.53	0.20	Straight through a strange 5-way intersection
8	3.56	0.03	Careful! Immediately straight through a 4-way intersection, then immediately take the left branch BY A WOODEN BENCH to head up through pine trees
	3.83	0.28	Stay straight to cross a major path
	3.98	0.15	Straight through an X-type intersection
9	4.44	0.46	Trail heads down almost to the lake, there are stairs to your right, you want to go left to stay above the lake
	4.67	0.23	Stay parallel to the lake (straight) at a 3-way intersection
	4.87	0.20	Merge with main trail to ride along the lake

10	4.97	0.10	Ride about 100 meters and take the left branch off the main trail to head uphill on singletrack, still riding generally parallel to the lake
	5.42	0.45	Stay right to keep parallel to the lake
11	5.75	0.33	T intersection - go right to stay along the lake
	6.08	0.33	Merge again with the main trail parallel to the lake
12	6.31	0.23	Take your third left on singletrack to head uphill. There are old wooden signs at this intersection pointing towards Schoene Aussichten, Alterhof and Pfaueninsel
	6.91	0.60	Merge and stay right to go downhill - be careful on this loose and dirty downhill
	7.07	0.16	Merge back with main lake trail
13	7.12	0.05	Take your next left - don't go around the bend on the main path
	7.37	0.26	Exit on to main road, cross it, then cross the trail that parallels the road, and stay on the trail that curves to your right
	7.47	0.09	Straight through the next intersection
	7.60	0.14	Straight through, again, to continue on a not so good trail unused trail
14	7.76	0.16	Right for a few meters when the trail ends, then left on the trail that parallels the road
	8.21	0.45	Trail ends at a house, go right to get to the road, then left on the road
15	8.34	0.13	Immediately after crossing the entrance driveway to the Blockhaus Nikolassee on the road, head back into the woods through some vertical wood posts to go downhill, on the opposite side of the valley to the blockhouse
	8.66	0.32	Straight through intersection
16	8.85	0.19	Careful! When you approach a fence (it's a wire fence with wooden posts, difficult to see), take a right before you get to it, to ride along with the fence on your left. If it's on your right, you missed the turn
17	8.97	0.12	Left when the trail ends at the T intersection to ride parallel to and above the lake
	9.17	0.20	The trail continues downhill - there are some stairs here - be careful and enjoy
	9.34	0.17	Exit on to paved path and continue past the restaurant
	9.41	0.07	Cross Moorlake Rd and head uphill on a small trail, then stay right and climb the path with the some steps. Ride the steps or sneak around them on the right side.

18	9.54	0.13	Careful! When the stairs end at an intersection, take the next hard left to head back TOWARDS THE PARKING LOT for the restaurant. After passing by the parking lot, this trail curves around and heads uphill
19	10.37	0.83	Shortly after the bridge, take your first right
	10.65	0.27	When the trail ends, left on a paved road
20	10.74	0.10	Take you next right to go downhill
	11.22	0.47	Merge with another road
21	11.28	0.06	Merge again, and go immediately right downhill
	11.55	0.28	Merge again, stay left, with fence on your right
22	11.75	0.19	Big intersection next to large open area, head towards major road to the right of the stairs
	11.82	0.07	Cross the road and head back into the woods, heading perpendicular to the road you just crossed
23	12.02	0.20	Trail forks, stay left, uphill
24	12.15	0.13	Take the next right
	12.33	0.18	Ride in front of the Loggia Alexandria, then around it to your left
25	12.39	0.07	Right at T intersection to go downhill
26	12.62	0.22	At the very bottom of the hill, as the trail curves sharply right, go left on a small connector to exit the woods towards houses
	12.68	0.06	Exit the woods and head downhill, first shortly on dirt, then on the cobblestone road.
27	12.75	0.07	Take you next left on Griebnitzstrasse
28	13.01	0.26	When the cobblestones end, go left to head up through a valley
29	13.34	0.32	At the top of the valley, go right on a yellow/white blazed trail, and stay right at the next intersection in about 100 meters
	13.97	0.64	Trail continues to right with a fence bordering a large open area on your left
30	14.26	0.29	Straight through the next intersection to leave the trail that borders the open area
31	14.74	0.48	Stay left on yellow-white blazed trail
32	15.40	0.66	Merge with another trail, then stay right at the next fork
33	15.88	0.48	Take it a bit slow on the downhill so you don't miss the somewhat blind left turn, just after a yellow-white blaze on a tree
34	16.00	0.12	Right when the trail ends at the next T intersection

	16.03	0.03	Careful! Very soon, take a very hard left turn, almost 180 degrees, to head along the golf course
	16.15	0.11	Stay straight-right through the next intersection to continue on the singletrack along the golf course
	16.73	0.58	At the next intersection GO LEFT on larger trail AWAY from golf course - faint single track stays along golf course, but this disappears.
	16.87	0.14	Merge with the trail that borders the open area, the fence should be on your left.
35	17.15	0.28	Nearing the fence which borders the golf course, on your right, just after you get closest to it, go right on singletrack to stay along the fence
36	17.53	0.39	Left on cobblestone road
	17.63	0.09	Road heads right, stay straight through intersection on trail
	17.97	0.34	Straight through the next 4-way intersection
	18.14	0.17	Straight through the next 3-way intersection
37	18.22	0.08	Take your next right, you can see houses on your left after you turn
38	18.55	0.33	Left on paved road
	18.67	0.12	Right at the next T intersection, on Am Waldrand
	18.77	0.10	Cross back over Koenigstrasse and head up the short flight of stairs to ride on the singletrack that parallels the road. You can also ride the road until you come to the small parking lot on your right.
	19.31	0.54	Small stairs down and up, stay on the singletrack parallel to the road
39	19.76	0.46	Right into the parking lot, and ride out the back of it on the trail
	19.99	0.23	Straight through X-type intersection
	20.05	0.06	Stay right at the fork
40	20.30	0.24	At the top of the hill go left on singletrack - enjoy!
	20.86	0.56	Straight through intersection to continue on singletrack
	21.28	0.42	Stay on the singletrack through the intersection, and merge with larger trail
41	21.51	0.24	Take the singletrack branch off to your left, a larger unmaintained trail goes straight
42	21.68	0.17	Shortly the singletrack ends at the next intersection, go right and up a short rise

43	21.83	0.15	Take a somewhat hidden left on the next main trail, after going downhill a little ways
	21.93	0.10	Careful! Singletrack branches right BEFORE the main intersection, take it to head along old fence posts, which should be on your left.
44	21.98	0.05	When the posts end, go left
	22.20	0.22	Straight through, then merge to the left shortly after
45	22.31	0.11	5-way intersection, straight through, sort of
46	22.49	0.17	X-type intersection, stay straight
47	22.66	0.18	Go right on the trail that parallels the road to head back to the start
	22.96	0.29	End of the ride
